TELL THE WORLD ABOUT JESUS

Titus Overview

Remember Verse:Colossians 3:2:

“Set your minds on things above, not on earthly things.”

Hello Families!

We hope you enjoy this bonus material, it includes discussion questions and activities designed as additional ways to connect with the story videos. It is our intention with both the videos and these activities to include different elements for the various age levels of kids who will be participating in these lessons. Each week we are drawing from curriculums designed for different age levels from preschool-4th grade, to help make this happen. We understand that not every element will apply to every age, but it is our hope that each family will be able to draw out those elements they can tailor to the children in their families. It is our prayer that this lesson, the kids' videos and the live steam service will help open up conversation in your household and provide a way for your entire family to engage with God's word!

Tell the world about Jesus

This weeks' response activities can be adapted for both **preschool** and **elementary** aged kids.

In our story we learned about the missionaries Titus and Paul. Paul wrote letters to encourage Titus and to help him learn more about God and how to share Jesus with the people of Crete. God wants all of us to be like Titus and Paul and tell everyone about how much He loves us. Today you have a chance to be a missionary and to write a special message about God's love and send it to someone you care about!

Option 1: Special Messages

Supplies

- Construction paper or God loves you coloring sheet
- Crayons
- Envelope

Use the construction paper or coloring sheet to write a special message to someone in your family or a friend. When you are finished ask an adult to help you mail your message to someone special!

Option 2: Letter Scroll

Supplies

- Paper bags, all sizes and colors (lunch sacks to grocery bags)
- Scissors
- Glue
- Straw
- Unsharpened pencil or craft stick
- Yarn
- Markers

Cut a strip of paper about 4" x 12" from a paper bag. Put glue on a straw, unsharpened pencil, or craft stick and wrap the paper around one at the top and bottom just enough to cover the straw, pencil or craft stick. Write a letter or an encouraging message like "Jesus loves you" to someone on the scroll, roll it up, and tie with a length of yarn. When you are finished mail to someone you know just like the early church did.

BLESS

God loves you and is always with you, just as He was with Paul and Titus. He wants all believers to spread the good news of Jesus. Today we pray that you would feel God's love and that He would give you the courage to tell everyone about Jesus!

JESUS LOVES YOU!
